

Intercession Diary

2009

May

to

August

**It helps, now and then, to step
back and take a long view.
The Kingdom is not only beyond our efforts,
it is even beyond our
vision...**

No statement says all that could be said.

**No prayer fully expresses our
faith. No confession brings
perfection.**

**No pastoral visit brings
wholeness.**

**No programme accomplishes the
Church's mission.**

**No set of goals and objectives
includes everything...**

**We cannot do everything, and
there is a sense of liberation in
realising that.**

**This enables us to do something,
and to do it very well.**

**It may be incomplete, but it is a
beginning, a step along the way,
an opportunity for the Lord's
grace to enter and do the rest.**

**We are workers, not master
builders; ministers, not messiahs.**

**We are prophets of a future not
our own.**

Amen.

May I thank everyone who has sent in information. I hope that there are no mistakes. Corrections and information may be sent to me at jean_richard@btinternet.com. The closing date for material to be included in the next issue will be July 10th. The information in this Diocesan Intercession Diary is as accurate as possible at 14 March. I hope it will provide a basis for daily intercessory prayer both in our churches and at home. I am very grateful to everyone who contributes prayer material to this diary and particularly to Lynn Robertson (Southwestern Virginia), Chris Wright (Northern Sudan), Rosie Tudge (Erfurt) and Irene Yarborough (Mission Partners).

Mission Partners

Several parishes have Mission Partners to whom they give prayer and financial support. The Mission Partners that we pray for in this Intercession Diary are the names of those who belong to the Bradford Diocese because they have lived here or in some way still regard here as their home.

Many thanks to the Diocesan Office for checking and producing the Diary.

We would be glad of your comments and suggestions.
